REVISED SCHEDULE FOR 2015 ANNUAL FIRE SYSTEM TESTING, AND BACKFLOW TESTING (Organized by HOA)

We notified the membership in our letter dated June 18 when the fire system testing was to occur this year. Regretfully, we need to split the testing days into two (2) days, plus an alternative day. We are very sorry for any inconvenience this may cause you.

PLEASE SEE THE NEW DATES AND TIMES ATTACHED FOR YOUR HOME / BUILDING.

If you reside in one of the buildings that do not require HOA testing and you wish to utilize the backflow testing service please let Dawn know and we will add you to the August 7 alternative date for this. A new schedule for August 7 will be compiled and distributed after the testing is completed on July 23/24. Thank you for your patience.

The original letter of June 18 and this attached schedule will be posted to the website at www.ridgestonehoa.org

Kindest Regards,
On behalf of the Board of Directors
